LET THE EPICENTER OF YOUR HOME COMPLEMENT THE LUXURIOUSNESS THAT SURROUNDS IT.

THE CREST COLLECTION BY SLEEK KITCHENS IS A SELECT SUITE OF FOUR LUXURIOUS KITCHEN CONCEPTS -

CLASSIC, MODERNISTIC, MINIMALISTIC AND CONTEMPORARY.

EACH CONCEPT IS AN ODE TO DISTINCT STYLES, CULTURES AND LIFESTYLES BORROWED FROM DIFFERENT ERAS.

WHILE **CLASSIC** CELEBRATES THE FLOURISH AND

MAGNANIMITY OF THE ORNATE ERA OF RENAISSANCE,

MODERNISTIC IS QUITE THE OPPOSITE. IT DISTANCES ITSELF

FROM OPULENT EMBELLISHMENTS AND EXUDES MODERN

LUXURY WITH ELEGANT LINEAR DESIGNS AND STRIKINGLY BOLD

COLOURS. **MINIMALISTIC** IS A CONCEPT THAT EMBRACES THE

INCREASINGLY POPULAR MIND-SET OF UNCLUTTERED,

UNCOMPLICATED AND STYLISH LIVING. AND FINALLY,

CONTEMPORARY, A CONCEPT THAT HAS TO BE SEEN TO BE

BELIEVED. BECAUSE IT CARVES FOR ITSELF A DISTINCT NICHE

WITH INSPIRATIONS FROM THE TWO UNIQUELY DIVERSE ERAS

OF **CLASSIC** AND **MODERNISTIC** AND TRANSLATES THEM INTO

AESTHETICALLY FLUID DESIGNS THAT RESONATE WITH TODAY.

EACH CONCEPT WILL INTRODUCE YOU TO THREE OF THEIR

AVATARS - **BOLD, MATT AND INTENSE**, WHICH YOU CAN EITHER

BE INSPIRED BY OR BLEND TOGETHER TO CREATE SOMETHING

SPECIAL.

COME, EXPLORE OUR FOUR LUXURIOUS CONCEPTS TO

DISCOVER WHICH OF THESE BEST SUITS YOUR STORY.

CLASSIC

"A classic never goes out of style."

A CLASSIC IS FOREVER.

A classic doesn't need to follow trends.

A classic is the feeling of familiarity.

A classic is ageless.

A classic makes you feel at home.

And at ease.

A classic is simple and uncomplicated.

Yet elegant and luxurious.

A classic doesn't bend the rules.

It makes them.

And that's why, a classic is forever.

YOU ARE INCLINED TOWARDS A CLASSIC KITCHEN IF YOU RESONATE WITH THE FOLLOWING:

- You love spaces which are a combination of Greek and Roman interior designs
- You lean towards simple and fresh looking designs
- You prefer lighter hues and an occasional splash of dark accents
- You prefer spaces which pay attention to symmetry and balance
- You like colours like yellow, blue, green and brown which are inspired by nature
- You have a strong preference for elegant and rich-looking fibres like velvet, canvas or cotton

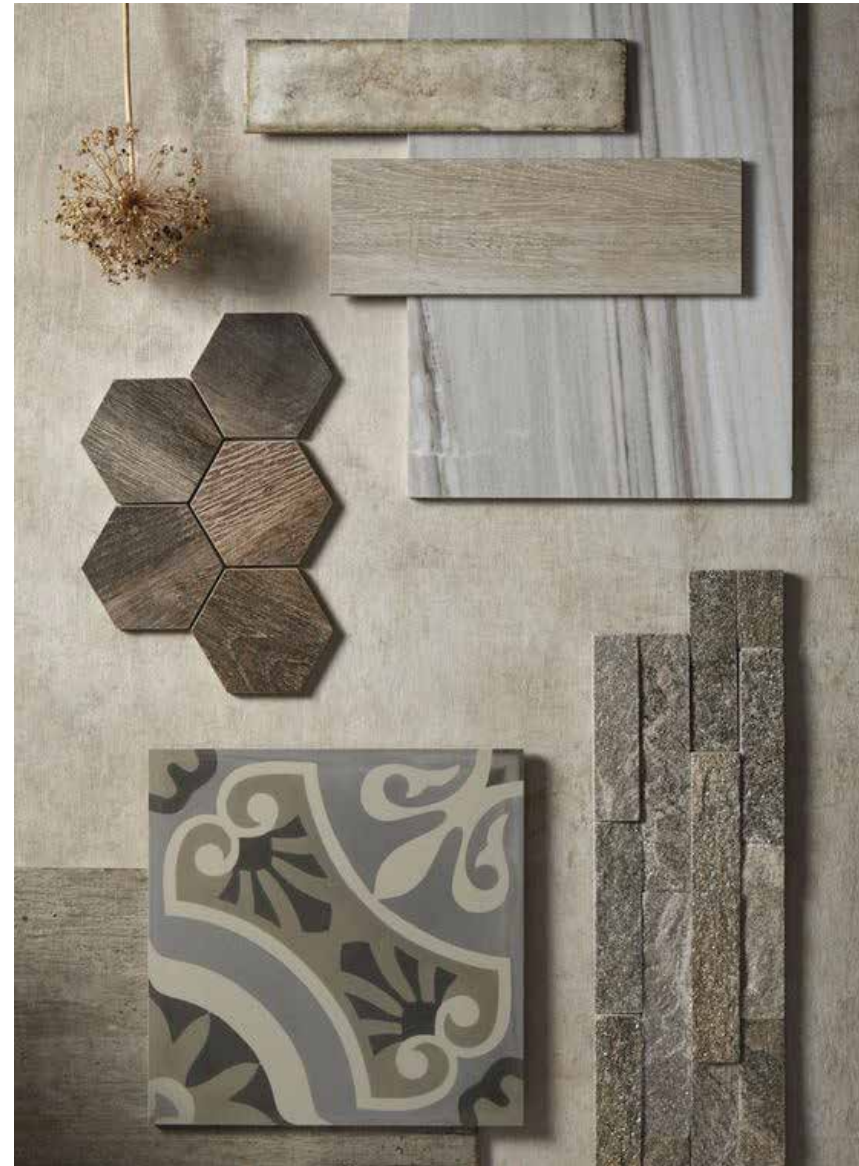

"Stick to the classics

MODERN

"Modernism is the protein of our cultural imagination."

Robert Hughes

MODERNISM IS AN ATTITUDE.

It's a journey in search of newer forms of expression.

It breaks barriers.

It refers to a distinct time period.

And travels into the unknown.

Modernism is bold.

Modernism is ever evolving.

It rebels against anything ornate.

Or Gothic or Victorian.

Modernism can be irreverent.

But always original.

Modernism is not just a style,

It is an attitude.

YOU ARE INCLINED TOWARDS A MODERNISTIC KITCHEN IF YOU RESONATE WITH THE FOLLOWING:

- You love spaces which flow into each other
- You like clean, straight lines with no additional definitions
- You prefer bold, flat planes with straight and inflexible lines
- You like the look of large, oversized tiles
- You love open floor plans with minimal walls
- You prefer spaces which are free-flowing in design and thinking
- You like the usage of chrome and stainless steel
- You like the visual drama that neutral colours can create
- Abstract wall art is your thing
- You would love to flaunt a single piece of furniture in a bold colour

"To be modern is not
a fashion. It is a state."

Le Corbusier

Modernistic Bold Inspirations

Illustrated by the attention to form over ornament and defined by the appreciation of structure and materials over subtleties.

Modernistic Bold Inspirations is an expression of one's exuberance and unabashed love for modern geometric forms, bold colours and uncluttered surfaces.

MINIMALISTIC

"Minimalism means not trying to improve perfection."

Bryant McGill

MINIMALISM - A WAY OF LIFE.

Minimalism is simple.

It is clean, well-lit and uncomplicated.

Minimalism is the art of subtraction.

It reveals the truest form of a space,

In its most beautiful avatar.

Minimalism enhances efficiency.

Minimalism is an ode to understated elegance.

Minimalism never compromises.

It celebrates the intuitiveness of one's desires.

Minimalism is not just a state of mind,

it is a way of life.

YOU ARE INCLINED TOWARDS A MINIMALISTIC KITCHEN IF YOU RESONATE WITH THE FOLLOWING:

- You love spaces which are simple in form yet highly efficient
- You prefer your homes to be open, uncluttered and light-filled
- You prefer clean, uncomplicated colours and compositions
- While selecting a texture you find yourself preferring geometric shapes & forms
- You like the visual drama that minimal textures can create
- You enjoy bright, sun-kissed, natural lighting
- Monochromatic and neutral hues make you happy
- You are an admirer of efficient and functional furniture
- You have a strong opinion on what you don't need

"Simplicity is the ultimate sophistication."

Leonardo Da Vinci

Minimalistic Bold Inspirations

CONTEMPORARY

"Contemporary art will help me modernize the society."

Victor Pinchuk

BEING CONTEMPORARY IS A STATE OF MIND.

Contemporary design is a celebration of now.

It is a symphony of simplicity and subtle sophistication.

It does not question tradition.

Rather, it embraces the past.

And creates something beautiful.

Contemporary design is a melting point.

Of colour, space, shape and interesting textures.

Contemporary design is warm and welcoming.

It is a state of mind.

YOU ARE INCLINED TOWARDS A CONTEMPORARY KITCHEN IF YOU RESONATE WITH THE FOLLOWING:

- You prefer spaces which are highly efficient and functional
- You are naturally attracted to curvy-looking designs
- You prefer open, uncluttered spaces and ornamental décor
- You like a warm, lived-in feel to your kitchen
- You love contrasting hues and have a soft corner for whites and blacks
- You lean towards spaces which are minimalistic and modern-looking
- You don't mind tradition, but you prefer it with a contemporary twist

"Contemporary art
challenges us.
It broadens our horizons"

Eli Bread
